Dr. Alireza Atef, M.D.

Dr. Alireza Atef received his medical degree from Tehran University of Medical Sciences in 1991. Dr. Atef was senior house officer at the Renal Section at Dubai Hospital, Dubai, United Arab Emirates from 1997-2000. Dr. Atef did his residency in internal medicine at Wayne State University, Detroit, Michigan and was a fellow in the Sections of Nephrology and Mineral Metabolism at the University of Texas Southwestern Medical Center in Dallas from July 2004 through June 2007. He has now joined Dallas Nephrology Associates (DNA) and is practicing in Mesquite Texas.
