Congratulations to last semester's students for finishing with flying colors ☺
New 12 week semester begins this Thursday. The new class is every Thursday night at 6:30—beginning on 10/30/08.
2nd class is being planned for Fridays at 6:30 p.m—beginning on 11/07/08.. (please register soon)

3. Community Connections

- + [New job posting](#) for IT type person (in Colorado), DFW international Director of Special Events, and Director of Development

4. Volunteer Teachers

Our classes are expanding and we need more volunteer teachers and class leaders or substitute teachers

- [Persian Language](#): We need additional help with expanding number of students
- [English Language](#): We need English language teaching volunteers who are fluent in Persian and English—once a week class
- [Computer Introduction](#): We need some help in the computer class to help the instructor answer questions and guide students along with practices.
